

What's Growing On...

February 2010

2nd Annual Employee Volunteer Day!

Our team is committed to helping make our community a better place. We grouped together and volunteered our time and talents to the *San Diego Food Bank*. This organization helps countless families with much needed food and supplies.

Hot Plants for Cool Weather

Keep your landscape up to par with these blooming beauties. Pink Breath of Heaven, *Diosma pulchrum*, flaunts tiny pink flowers that float amongst its fine, feathery leaves. The Hong Kong Orchid Tree, *Bauhinia blakeana*, provides abundant flowers in various shades of pink and purple and blooms late fall to spring bringing much needed color to your garden during the winter months.

Your opinion is valuable! We are continually trying to improve our business to provide our customers with products and services that are second to none. In turn, a confidential survey will be sent out to randomly selected customers. We would appreciate it if you would keep an eye out for this email and take five minutes to complete the short questionnaire. *Thank you* 😊
