

# What's. Growing On...

February 2009

## Save Water and Time with Succulents!

New succulent varieties are continuously being introduced making water-wise gardening more exciting. Come see all of the new varieties we now carry at our stores.

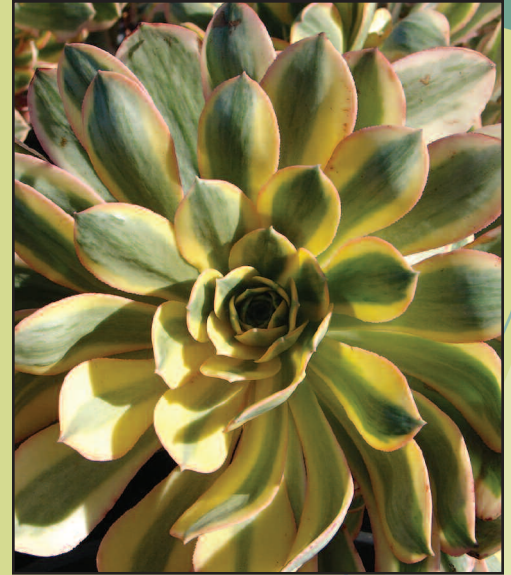

Below: *Aeonium 'Kiwi'*

This small, shrubby and easy to maintain succulent grows 2-3 feet tall and is covered with 4-6 inch rosettes. Yellow flowers bloom in the summer.

Right: *Aeonium 'Sunburst'*

This Aeonium has variegated shades of creamy yellow, pink and light green. It grows on stalks up to 18" tall and adds a bright accent to any landscape.

Above: *Euphorbia 'Sticks on Fire'*

Also known as Red Pencil Tree, this plant grows slowly to 4-8 feet tall. Its unique shape and color make it a popular choice when planning a low-water garden.

## Lake Forest site now has Bulk Soils!!!

We've recently added to our one-stop landscape supply line in Lake Forest with bulk Top Soil, Compost and Walk-on Bark available for pick-up. We continue to supply a wider variety of amendments in San Diego that can be picked up or delivered locally.

Now through March 15, 2009...
