

What's Growing On...

January 2009

Enjoy Year-Round Color with Phormiums!

Brighten any landscape with the vibrant, year-round color of Phormiums. We have many different sizes, shapes and colors for nearly any garden style. Larger plants are often used as a focal point, while smaller varieties are frequently used in containers, as borders and around water features. With both five and fifteen gallon sizes available, these versatile plants will always make a great addition to your landscape.

'Pink Stripe'

'Tom Thumb'

'Atropurpurea'

'Yellow Wave'

'Bronze'

'Flamingo'

Start the New Year Giving Life... Donate Blood!
