

Phormium Collection

CULTIVAR	HEIGHT	LEAF COLOR AND CHARACTERISTICS
'Amazing Red'	2-3 ft.	Upright dwarf with fine dark red-brown margins on reddish-brown leaves. Our newest cultivar from South Africa.
'Apricot Queen'	3 ft.	Slightly arching and twisting. 1½" wide pale yellow leaves with green margins flush with apricot color in the fall. <i>Stable</i> .
'Bronze Baby'	4-5 ft.	Medium-sized upright with 1½" wide dark reddish-brown foliage, curving gracefully at tips. <i>Stable</i> .
cookianum	4-5 ft.	Medium sized with 2½" wide olive-green leaves that arch gracefully. Grows well in shade. <i>Stable</i> .
cookianum dwarf	2 ft.	Upright with flat narrow 1" wide green leaves, introduced by John Greenlee as part of his Mountain Flax series. <i>Stable</i> .
cook. 'Cream Delight'	3 ft.	Medium-sized upright with 2½" wide arching leaves with cream-yellow mid-stripe and green margins that blend to a red edge. <i>Stable</i> .
cook. 'Tricolor'	4 ft.	Broad plant with 2½" wide leaves that have a broad central green band surrounded by yellow stripes and a red margin.
'Duet'	2-3 ft.	Upright habit. Leaves are moderately wide with dark green centers and light yellow margins.
'Gold Sword'	3 ft.	Medium-sized upright with medium yellow leaves, green margins and occasionally a rosy streak in the center. Leaves are moderately wide.
'Dusky Chief'	3-4 ft.	Medium-sized upright with 1½" wide maroon-red foliage that curves gracefully at tips. <i>Stable</i> .
'Flamingo'	2 ft.	Arching 1½" wide leaves in shades of orange, rose, light green and yellow. Tends to revert.
'Jack Spratt'	1.5 ft.	Small and upright with ½" wide twisting reddish-brown leaves. Excellent compact variety. <i>Stable</i> .
'Maori Chief'	6 ft.	Upright with 2½" wide green leaves with rose-red margins and arching tips. <i>Stable</i> .
'Maori Maiden'	2-3 ft.	Medium sized with slightly arching 1½" wide apricot to rose-red leaves and thin green margins.
'Maori Queen'	4 ft.	Upright with 2" wide olive-green leaves and red margins that fade to cream. Cut out old foliage as it fades.
'Maori Sunrise'	2-3 ft.	Medium sized with slightly arching 1½" wide apricot leaves and thin green margins. Very similar to 'Maori Maiden.'
'Pink Stripe'	5-6 ft.	Upright with bronze-green to gray leaves edged in pink. <i>Stable</i> .
'Radiance'	5-6 ft.	Large upright with 2" wide green leaves streaked with bands of pale yellow. <i>Stable</i> .
'Sea Jade'	3 ft.	Upright form with blunt tipped rich green leaves that have a maroon midstripe. <i>Stable</i> .
'Sundowner'	5-6 ft.	Upright form with 2½" wide bronze-green leaves with rose-pink margins that fade to cream in summer. Popular variety.
tenax	8 ft.	Large upright with 3-4" wide olive-green leaves. Orange-red flowers form on tall stalks in early spring. <i>Stable</i> .
tenax 'Atropurpureum'	8 ft.	Large upright with 3-4" wide reddish-purple leaves. <i>Stable</i> .
tenax 'Bronze'	8 ft.	Large upright with 3-4" wide bronze leaves. Orange-red flowers form on tall stalks in early spring. <i>Stable</i> .
tenax 'Rubrum'	2 ft.	Small upright with maroon foliage. Similar to 'Bronze Baby.' <i>Stable</i> .
tenax 'Variegata'	8 ft.	Large upright with green and cream bands running lengthwise on broad 3" wide leaves. <i>Stable</i> .
'Tom Thumb'	2 ft.	Small upright with undulating ½" wide green leaves with red-bronze margins. <i>Stable</i> .
'Yellow Wave'	3-4 ft.	Wide plant with arching 2" wide green leaves with a central yellow band that fades to green in fall.
